PERRIE HALE FOREST NURSERY 2010/2011 SEASON

Welcome to our new Price List. Once again, this year the south west has been favoured by the best growing conditions in the country.

We continue to offer our popular "tree packs", which can be found on pages 15 & 16 of this price list.

All our stock is grown from the best seed available and every care is used to supply stock to the highest quality true to name.

Please note that we are a tree nursery and not a garden centre. Whilst we are happy to accept small orders, we do ask that plants are ordered prior to collection. An order form is enclosed.

Prices:

All prices are quoted ex-nursery and subject to VAT at the current rate of 17.5%. Please note that the Government announced on the 22nd June 2010 that VAT will increase to 20% on the 1st January 2011, so any orders paid for after this date will be subject to VAT at 20%.

We are pleased to quote discounted prices on larger orders (2000 + plants).

If you encounter any problems with calculating prices on your order, please do not hesitate to telephone!

Packing and Carriage/Collection:

Plants are lifted to order between mid October to late March. All orders are labeled and packed in suitable bags at no extra cost. We also offer container grown plants of some species for planting after March.

Orders can be collected from the nursery (by prior arrangement) between 8.00am - 1.00pm and 1.30pm - 5.30pm weekdays and 9.00am - 12.30pm Saturdays.

We will be pleased to quote for delivery of orders, either by our own transport or by next day carrier service. Our minimum carriage charge is £20.00 + VAT per order.

Grant Applications, contract planting and maintenance:

Please contact us for a quotation. We offer high quality stock planted by experienced woodsmen.

Wild Flower and Wild Grass Seed:

We are able to supply wild flower and wild grass seed suitable for pond edges, hedgerows and woodlands. Please contact us if you would like details and prices. (These are offered subject to availability and only when placed with an order for trees or shrubs).

PLANTING GUIDE

It is important to remove all existing weeds from your proposed planting site before you start planting. Therefore, in early autumn (September/October) the area needs to be marked out and sprayed with an appropriate broad spectrum herbicide (e.g. roundup). If you are organic, or do not wish to use chemicals, then existing grass/weed needs to be physically removed before planting.

Late October through to late March are the best months for planting bare-root stock, but it is important to ensure that the ground is not waterlogged or frosted.

Plants should be notch planted (to the depth of the root collar), and then firmed in to ensure the roots have good contact with the soil to prevent the plants 'rocking' in the wind. A layer of organic mulch can be applied after planting to help reduce competition from grass and weeds.

The plants will need to be protected against damage by livestock, and consideration given as to the threat from vermin such as voles, rabbits and deer. We will be pleased to give advice on protection and which shelterguards/spirals might be required.

GENERAL MAINTENANCE

It is important to keep all new planting sites weed free for the first 2 years, as competition from grass and weeds will prevent the plants from establishing and growing away strongly. This generally involves either spraying the area with a broad spectrum herbicide in accordance with the manufacturer's recommendations, or hand weeding during the spring. All plants should be examined for pest damage – i.e. aphids, rabbits, voles etc. – and protection added if needed.

TERMS OF BUSINESS

The placing of an order will be held as acceptance of the conditions stated below:-

- Prices are wholesale, ex-nursery and subject to VAT at the current rate.
- We reserve the right to alter prices later in the season if necessary, if we need to buy in extra stock.
- All plants are offered subject to being unsold on receipt of a firm order.
- No complaints can be considered unless made within SEVEN DAYS of receiving the plants.

Settlement of Account

- For orders collected from the Nursery - all orders must be paid for on collection either by cash/cheque or credit/debit card.
- Orders being delivered – all orders to be paid in full before dispatch
- For approved customers only, settlement is due 30 days from the date of the invoice.
- We reserve the right to charge 2.5% per month on overdue accounts.
- It is understood that legal title to the goods supplied does not pass to the customer until full payment is received by ourselves.

Cancellations

- Should an unfulfilled order be cancelled after the 31st December 2008, we reserve the right to charge 30% of the value of the order as liquidated damages.

ROOTRAINERS AND CELL GROWN TREES

We are able to supply trees, shrubs and wild flowers grown in rootrainers and cells - please ask if you would like a quotation.

PLANTING SUNDRIES

For larger quantities (500+) of any of the sundries, please ask for a quotation.

WET WOODLAND PACK

Our wet woodland pack includes a number of nitrogen fixing plants which will tolerate water-logged ground. It includes a mixture of alder, ash, birch, rowan, and willows.

Size (cms)	50 Plants	100 Plants	500 Plants	1000 Plants
40/60	£32.50	£45.00	£160.00	£270.00
60/80	£42.50	£65.00	£235.00	£370.00

Plant at 2.5 metre centres.

WINDBREAK PACK

The windbreak pack includes a mixture of quick growing, wind tolerant plants which provide protection and shelter. This pack includes alder, ash, beech, birch and scots pine.

Size (cms)	50 Plants	100 Plants	500 Plants	1000 Plants
40/60	£32.50	£45.00	£160.00	£270.00
60/80	£42.50	£65.00	£235.00	£370.00

Plant at 2.5 metre centres, in staggered rows.

COASTAL PACK

Our coastal pack contains species which are relatively quick growing, and will tolerate salt laden winds and includes ash, blackthorn, hawthorn, poplar, sycamore and willows.

Size (cms)	50 Plants	100 Plants	500 Plants	1000 Plants
40/60	£32.50	£45.00	£160.00	£270.00
60/80	£42.50	£65.00	£235.00	£370.00

Plant at 2.5 metre centres in staggered rows.

GARDEN WOODLAND PACK

Our garden woodland pack contains medium sized species which add interest and colour to a garden whilst providing a rich habitat for birds and other insect and animal life. The species in this pack include crab apple, guelder rose, rowan, spindle and whitebeam.

Size (cms)	50 Plants	100 Plants	500 Plants	1000 Plants
40/60	£32.50	£45.00	£160.00	£270.00
60/80	£42.50	£65.00	£235.00	£370.00

Plant at 2.5 metre centres in staggered rows

CHRISTMAS TREE PACKS - Please refer to Page 5

Prices quoted are per pack, ex-nursery and subject to VAT at current rate. Delivery extra. All stock is bare-root.

HEDGING PACK - CONSERVATION HEDGE MIX

Our hedging pack contains a mixture of 70% Quickthorn (hawthorn) and 5 other mixed native species such as blackthorn, common dogwood, field maple, hazel, guelder rose, wild roses etc. Plant 5 plants per metre in double staggered rows.

Size (cms)	50 Plants	100 Plants	500 Plants	1000 Plants
40/60	£22.50	£35.00	£130.00	£210.00
60/80	£32.50	£45.00	£180.00	£310.00

For example:

50m of mixed hedging at 40/60cms size = £2.05 per metre* incl. VAT (250 plants @ .35p each = £102.81*) 100m of mixed native hedging at 60/90cms = £2.64 per metre* incl. VAT (500 plants @ .45p each = £264.37*) 500m of mixed native hedging at 40/60cms = £1.23 per metre* incl. VAT (2500 plants @ 21p each = £616.87*) (* Please note these prices will increase when the VAT rate goes up from 17.5% to 20% on the 1st Jan. 2011)

WOOD FUEL PACK

The wood fuel pack contains a mixture of species suitable for wood fuel production and includes a mixture of ash, birch, sweet chestnut, hazel and willows.

Size (cms)	50 Plants	100 Plants	500 Plants	1000 Plants
40/60	£32.50	£45.00	£160.00	£270.00
60/80	£42.50	£65.00	£235.00	£370.00

Most of these species will coppice well and provide good material for wood chip and firewood. Plant at 2.5 metre centres to allow for coppice growth.

Allow for roots to develop for 3 – 5 years before coppicing.

WOODLAND PACK

Our woodland pack contains species found in lowland broadleaved woodlands and includes a mixture of ash, beech, birch, cherry, field maple, and oak.

Size (cms)	50 Plants	100 Plants	500 Plants	1000 Plants
40/60	£32.50	£45.00	£160.00	£270.00
60/80	£42.50	£65.00	£235.00	£370.00

Plant at 2.5 metre centres.
